Phone: Call 1-646-558-8656, enter Meeting ID 477821098#, for password press #

Our fellow NH Peer Support Agencies provide Facebook and zoom groups as well and would love to hear from you. Links to their websites are on our website.

Our task force of Board, paid Members (staff), and non-paid Members is meeting to discuss our options for reopening. As we navigate new territory, of two things I am certain: 1) our operations within the Centers will change, and 2) our success depends on all of us working together.

We are inching closer to a time when we can be together for real. In the meantime please keep in touch and remember:

- Stay at home except for essentials, such as groceries, pharmacy, and medical appointments.
- Practice good hand washing.
- Observe social distancing of at least 6 feet between you and others while in the community.
- Wear a face covering when in the community and at other times when social distancing is difficult to observe.

I will provide updates to operations via our website as soon as I can after they become available and we determine how changes affect us. By 6/15, The Board and I will determine our options beyond 6/15. As always, thanks for your support.
