

Local Event: West Central Behavioral Health and AVA Gallery are proud to celebrate six years of partnership with *Gathering Constellations*, a mental health art exhibition that will run from May 1–June 11 at AVA’s Linda Roesch Visual Arts Gallery, 11 Bank Street, Lebanon, NH.

The exhibition will highlight the power of connection—how individual stories, like stars, shine brighter when linked. Together, we form a constellation stronger and more beautiful than any single point of light.

Artwork for *Constellations* will be juried entries from dozens of artists in the region who have drawn on mental health experiences in their lives. Visit avagallery.org

We are excited to be part of NH Gives again this year! NH Gives is an opportunity to raise money and awareness to support our Mission to provide FREE peer support and transportation for our NH peers.

This year’s donations will help us raise money for Member trips & events, Outreach, and Transportation; and new windows for Next Step!

We continue to build up our profile page:
